Brand	Envision™
Color Name	Clear
Color Palette	Transparent
Core Size (Imperial)	3 in
Film Type	Non-PVC
Imaging Method	Lamination
Line	Digital Printing Films, Overlaminates and Inks
Material	Non-PVC
Max. Durability	9 years
Opacity	Transparent
Overall Length (Imperial)	25 yd, 50 yd
Overall Length (Metric)	22.86 m, 45.72 m
Overall Width (Imperial)	54 in, 60 in
Overall Width (Metric)	1372 mm, 1524 mm
Performance Level	Premium
Print Compatibility	Latex, Solvent, UV
Product Color	Transparent
Product Usage	Exterior, Interior
Removability	Permanent
Service Temperature	-54°C to +107°C

Surface Finish	Matte
Surface Type	Flat, Rough Surfaces
Vehicle Type	Boat, Bus, Tram & Metro, Car & Van, Truck & Trailer
Warranty	3M Basic Product Warranty, 3M Performance Guarantee, 3M™ MCS™ Warranty

Details

- A matte finish that minimizes glare; great for textured surfaces and wall graphics.
- Non-PVC
- Highly conformable with excellent lifting resistance. Stretches up to 150%.
- Installs in extreme temperatures. It is ambient temperature insensitive - not too soft and not too brittle.
- This film features greater tensile strength, so it resists tearing for faster removal.
- High Performance Film will not shrink.

3M™ Envision™ Matte Wrap Overlamine 8550M is versatile enough to wrap everything from vehicles to trailers to boats to textured buildings. This film is an environmentally friendly option to offer those looking for a greener solution. This new film goes beyond just being non-PVC, with a breakthrough boost in performance in addition to the innovations of 3M overlamine 8520.
